2. Business: Updates and discussion on “Love McFarland Lakes, Don’t Leaf Them” event. Review flyer, informational display, print materials, signage on Saturday, October 19th from 12:30pm to 2:30pm. Discuss refreshments. Collaboration with Ripple Effects, Dane County Land and Water Resources, Madison Area Municipal Stormwater Partnership: <https://www.ripple-effects.com/>

Gletty-Syoen outlined a plan to spray the slogan “Don’t Leaf the Lakes” on selected drain grates throughout the village as a fall volunteer event. She contacted several Dane County agencies and was able to recruit a representative to help give an orientation and acquire kits of supplies for the volunteers to use. Listed below are some aspects of the plan.

- The event would occur on Saturday, October 19, 2019 from 12:30pm to 2:30pm (rain or shine) and groups will meet at the Village Hall for training and receiving supplies.
- The purpose of the project is to promote sustainability by preventing phosphorus from leaves and grass to pollute the lakes and rivers. Also, Czebotar thought that this activity could serve as a springboard to future fall sustainability activities.
- Refreshments would consist of apple cider, coffee, and doughnuts from Kwik Trip.
- Information about the event will appear on flyers, news articles, social media contacts, an informational display, and other signage.

3. The next scheduled meeting is at 6:00 P.M. on Thursday, November 14, 2019.

4. Adjournment

Motion by Brost, seconded by Czebotar, and carried 5-0 by acclamation to adjourn the meeting at 6:45 P.M.
