

**POLICE & FIRE
COMMISSION**

Saturday, May 22, 2021

8:30 AM

McFarland Municipal Center
Community Room

AGENDA

You are invited to this meeting through a Zoom webinar. The Public is strongly encouraged to watch and participate in these meetings remotely through either the webinar or telephone options listed below.

PLEASE CLICK THE LINK BELOW TO JOIN THE ZOOM WEBINAR:

<https://us02web.zoom.us/j/83835297535>

Or by Telephone: +1 (312) 626-6799
Webinar ID: 838 3529 7535

1. CALL TO ORDER, ROLL CALL.
2. PUBLIC APPEARANCES.
 - a. This is an opportunity for members of the public to address the Police and Fire Commission. Please remember this is a virtual meeting conducted through the Zoom online meeting platform. Zoom meeting attendees wishing to address the commission may do so using the Question and Answer feature within the Zoom online meeting platform. You may state your name, address, and provide your comments to the commission for their consideration. Members of the public who are present in person and wish to address the commission should fill out a public comment form and turn into the meeting chairperson. Members of the public may speak during public appearances or during their selected agenda item as they designate on the public comment form. Please adhere to the 3-minute time limit. Additionally, you may send your public comments to cassandra.suettinger@mcfarland.wi.us to be included as part of the meeting.
3. APPROVAL OF MINUTES.
 - a. Discussion and action regarding minutes from the meeting held on April 12, 2021.
4. BUSINESS.
 - a. Police Department Update
 - 1) Welcome Chief Aaron Chapin.
 - 2) Welcome Lieutenant Jeremy Job.
 - 3) Review March and April Monthly Reports.
 - 4) Review and approve Police Officer Hiring Process and Timetable.

- 5) Review and approve Sergeant Hiring Process and Timetable.
- b. Fire & Rescue Department Update
 - 1) Review April Monthly Report.
5. CLOSED SESSION. - Interviews for the Advanced EMT positions will be conducted in closed session by the PFC in the Training Room of the McFarland Municipal Center.
 - a. Discussion and action to convene into Closed Session in accordance with Wis. Stats. 19.85(1)(c) to consider employment, promotion, compensation, or performance evaluation data of any public employee over which the governmental body has jurisdiction or exercises responsibility, more specifically to interview finalists for Advanced EMT positions.
6. RECONVENE INTO OPEN SESSION.
 - a. Act on business in closed session.
7. SCHEDULE NEXT MEETING DATE.
 - a. Saturday, June 5, 2021
8. ADJOURNMENT.

This meeting notice constitutes an official meeting of the above referenced group and was posted in accordance with all applicable laws related to Open Meetings Law. It is possible that members of and possibly a quorum of members of other governmental bodies of the municipality may be in attendance at the above stated meeting to gather information. No action will be taken by any governmental body at the above stated meeting other than the governmental body specifically referred to above in this notice. Upon reasonable notice, efforts will be made to accommodate the needs of disabled individuals. For additional information or to request this service, contact the McFarland Municipal Center at (608) 838-3153 or cassandra.suettinger@mcfarland.wi.us.

Village of McFarland
Police and Fire Commission Minutes
April 12, 2021

1. Call to Order, Roll Call

PFC President Stransky called the regular meeting of the Police and Fire Commission to order at 5:30 p.m.

Members present: John Stransky, Vince Wagner, Jim McKay, Jerry Mullen and Kathy Krusiec

Staff present: Village Administrator Matt Schuenke, Communications Technology Director Stephanie Miller.

2. Public Appearances

This is an opportunity for members of the public to address the Police and Fire Commission. Please remember this is a virtual meeting conducted through the Zoom online meeting platform. Zoom meeting attendees wishing to address the commission may do so using the Question and Answer feature within the Zoom online meeting platform. You may state your name, address, and provide your comments to the commission for their consideration. Members of the public who are present in person and wishing to address the commission should fill out a public comment form and turn into the meeting chairperson. Members of the public may speak during public appearances or during their selected agenda item as they designate on the public comment form. Please adhere to the 3-minute time limit. Additionally, you may send your public comments to Cassandra.suettinger@mcfarland.wi.us to be included as part of the meeting. No comments were brought forth. The chair continued to address the items on the agenda.

3. Approval of Minutes

- a. Discussion and action regarding minutes of the meeting held on March 4, 2021. Call for changes or corrections. Hearing none, the president called for a motion to accept the minutes as presented. Motion by Mullen, second by Wagner. Motion carried.
- b. Discussion and action regarding minutes of the meeting held on March 19, 2021. Call for changes or corrections. Hearing none, the president called for a motion to accept the minutes as presented. Motion by Wagner, second by McKay. Motion carried.

- c. Discussion and action regarding minutes of the meeting held on March 29, 2021. Call for changes or corrections. Two changes to the meeting minutes were noted. President called for a motion to accept the minutes with the proposed changes. Motion by McKay, second by Mullen. Motion carried.

4. Closed Session

- a. Discussion and action to convene into Closed Session in accordance with Wis. Stats. 19.85(1)(c) to consider employment, promotion, compensation, or performance evaluation data of any public employee over which the governmental body has jurisdiction or exercises responsibility, more specifically to review background examinations and consider appointment for the position of Police Chief.
- b. Motion to go into Closed Session by McKay, second by Wagner. Roll call vote. All members voted in the affirmative. Entered Closed Session at 5:38 p.m.

5. Reconvene into Open Session

Motion to reconvene into Open Session by Mullen, second by McKay. Roll Call Vote. All members voted in the affirmative. The Commission resumed Open Session at 6:08 p.m.

- a. Discussion and action regarding appointment of the Police Chief and authorization to the Village Administrator to issue a conditional offer of employment.
- b. Motion by Krusiec, second by McKay to direct the PFC chair to prepare a letter to the Village Administrator and provide the same to the Village President supporting the authorization of a conditional offer of employment. Motion carried.

6. Schedule next Meeting Date

- | | | |
|----------------------------------|------------------|------------------------------------|
| a. Saturday, May 22, 2021 | 8:30 a.m. | Interview – Adv. EMT’s |
| b. Saturday, June 5, 2021 | 8:30 a.m. | Interview – Police Officers |

7. Adjournment

- a. Motion by Wagner, second by McKay. Motion carried.

Respectfully submitted,
Kathy M. Krusiec, PFC Secretary

March 2021 Monthly Report

McFarland Police Department

Calls for Service

Due to COVID, the Department is still operating in a modified fashion with officers instructed to limit their person-to-person contacts as much as possible. The Department had 525 calls for service in March 2021 compared to 521 in 2020. The Department is experiencing a substantial increase in cases involving methamphetamine focused in one small area. The efforts conducted to reduce this problem has been successful in reducing this activity substantially and it will continue to be monitored and adjusted as needed.

Cases of Interest:

3/3/2021 – Officers conducted a search warrant in the City of Stoughton regarding a past robbery that took place in the Village of McFarland. The subject of the investigation was arrested and booked into the Dane County Jail for Robbery by use of a Dangerous Weapon and Possession of Narcotic Drugs.

03/10/2021 – Officers completed a search warrant regarding an ongoing investigation regarding initial information received from Internet Crimes Against Children. The subject of the investigation was arrested and booked into the Dane County Jail.

03/11/2021 Assist EMS / Dane County Sheriff – Officers were dispatched to assist EMS & Dane County Sheriff's Department in the Town of Dunn for a pulseless non breathing patient. Officers assisted with life saving measures and the patient regained a pulse and was transported to a local hospital.

03/18/2021 Stolen Vehicle – Officers were dispatched to a stolen vehicle report. The vehicle was later recovered in the City of Madison and returned to the owner. This case remains under investigation to identify the suspects involved.

03/20/2021 – Officers were dispatched to the area of Hwy 51 and Farwell St for a vehicle reported to be traveling 70 mph, struck an electric transformer and ran from the scene. After a short foot pursuit by Dane County Deputies, who saw the driver running from the scene. The driver was apprehended. Officers determined that the driver was under the influence of alcohol and established probable cause to arrest him for operating a motor vehicle while under the influence. The driver provided a breath sample with the result showing he a 0.20 blood alcohol concentration.

Staffing Report

The Department is currently operating two positions (Police Chief, Officer) short. The Police Chief selection process is on-going, and the new Chief is anticipated to start in May. Officer Jackie Statz announced her retirement effective early April. Officer Jason Onken announced his resignation from the department effective late April. Lt. Redman has set a retirement date of 4/16/2021. An internal promotional process was held during the month of March. Sgt. Jeremy Job was promoted to Lieutenant and will take over Lt. Redman's responsibilities upon his retirement.

Training Report

COVID has made it difficult to get officers to training due to facilities being closed for in-person training. Regular In-service sessions resumed this month with all officers attending an in-person training day focusing on multiple required recertifications.

- Officer Towns attended Tactical Response Instructor Certification Training at Northeast Wisconsin Technical College.
- Officers Craft, Grady, and Zietsma attended a drone training event in Stoughton.
- Administrative Assistant Reimer attended Open Records Training in Appleton.

Officer Complaints/Compliments

Officer Complaints – Officer complaints can be submitted using the online procedure found on the Departments web page or also by calling the Police Department and asking to talk to a supervisor.

- No complaints were submitted last month.

Officer Compliments - Officer compliments can be submitted using the online form found on the Departments web page, by submitting an email to the Department, or by calling the Police Department and asking to talk to a supervisor.

- A letter was sent to the department thanking Officer Zietsma for his "superb actions" and "politeness and patience" for assisting this citizen with locating her purse that was lost and taken by another person.

Use of Force Incidents

The Department wishes to operate in a more transparent way so a section on Use of Force Incidents will be added to the monthly report. The Department categorizes a reportable Use of Force Incident as anytime a firearm or ECD is used or displayed, or any other force is used that is at or above a compliance hold as outlined in the Intervention Options issued by the State standards.

All reportable Use of Force Incidents are reviewed by a supervisor which consists of reading reports and watching body camera or squad video of the incident. The supervisor is checking for compliance with policy, training, and acceptable standards issued by the State. If a problem is identified, the officer could be disciplined, counseled, and/or mandatory re-training will be ordered. Incidents last month were:

- 2021-88616 Operating While Intoxicated / Traffic Stop – Officers were conducting an Operating While Intoxicated (OWI) investigation. During the investigation, the passenger continued to exit the vehicle. While arresting the driver, the passenger again exited, when approached by officer after not remaining in the vehicle as requested, the passenger began reaching into the center console area of the vehicle. The passenger was placed in compliance holds, continued to pull away from officers and was decentralized to the ground and placed in handcuffs. The incident was reviewed by a supervisor and all actions were within policy and training based on the incident they were engaged in.
- 2021-107134 Traffic Stop / Stolen Vehicle - Officers conducted a High-Risk Traffic Stop on a vehicle reported stolen from Milwaukee County. Firearms were displayed but not used. The vehicle fled from the traffic stop. The incident was reviewed by a supervisor and all actions were within policy and training based on the incident they were engaged in.

McFarland Police Department

April 2021 Monthly Report

McFarland Police Department

Calls for Service

Due to COVID, the Department is still operating in a modified fashion with officers instructed to limit their person-to-person contacts as much as possible. The Department had 522 calls for service in April 2021 compared to 362 in 2020. The Department call volume is continuing to climb to similar call volume prior to the COVID pandemic.

Cases of Interest:

4/2/2021 – Officer responded to a road rage incident where a firearm was reported to have been displayed. After the subjects were located in McFarland and investigation was conducted and turned over to the City of Madison since the original incident occurred in their jurisdiction.

04/6/2021 – Officers located a vehicle involved in a pursuit from Madison. Due to the circumstances of the original offense, McFarland Officers pursued the vehicle based on policy. Tire deflation devices (Stop Sticks) were deployed, and the pursuit ultimately ended; the driver was taken into custody and turned over to the originating agency of the initial offense.

04/13/2021 – Officers terminated a brief pursuit for a traffic violation. A short time later that vehicle later saw officers and fled at a high rate of speed. The vehicle lost control and crashed into a house resulting in multiple injuries, a fatality, and substantial property damage. McFarland Police were assisted by multiple police, fire and EMS agencies.

04/18/2021 – Officers conducted a traffic stop for speeding and erratic driving behavior. After completing an investigation, the driver was arrested for Operating While Under the Influence. The driver provided a breath sample showing a blood alcohol concentration of 0.22.

Staffing Report

The Department is currently operating four positions (Police Chief, Two Officers, and Sergeant) short. The Police Chief selection process is complete, and the new Chief will be starting May 17th. Police Officer recruitment is underway with applications due April 30th and first round interviews scheduled the middle of May. The Sergeants vacancy was approved to fill by the Village Board. The Police & Fire Commission is meeting in May to review the hiring process.

Training Report

COVID has made it difficult to get officers to training due to facilities being closed for in-person training. Emergency Vehicle Operations and Control in-service is scheduled for May and June.

- Investigator Barnier attended the Wisconsin Association of Homicide Investigators Conference.
- Officers Towns attended Less Lethal Instructor Certification in Stevens Point.
- Lt. Job attended Open Records Training and Internal Investigations Training at Waukesha Technical College.

Officer Complaints/Compliments

Officer Complaints – Officer complaints can be submitted using the online procedure found on the Department's web page or also by calling the Police Department and asking to talk to a supervisor.

- One general complaint was submitted about a citizen being followed by the police. After conversation with this person regarding the concern, we had a long discussion about police operations, staff levels, the citizen's concerns and future options. The citizen did not wish to pursue anything further, but an open line of communication was left open for any future concerns.

Officer Compliments - Officer compliments can be submitted using the online form found on the Department's web page, by submitting an email to the Department, or by calling the Police Department and asking to talk to a supervisor.

- No specific officer compliments were received this month.

Use of Force Incidents

The Department wishes to operate in a more transparent way so a section on Use of Force Incidents will be added to the monthly report. The Department categorizes a reportable Use of Force Incident as anytime a firearm or ECD is used or displayed, or any other force is used that is at or above a compliance level as outlined in the Intervention Options issued by the State standards.

All reportable Use of Force Incidents are reviewed by a supervisor which consists of reading reports and watching body camera or squad video of the incident. The supervisor is checking for compliance with policy, training, and acceptable standards issued by the State. If a problem is identified, the officer could be disciplined, counseled, and/or mandatory re-training will be ordered. Incidents last month were:

- 2021-114485 Road Rage – Officers located a vehicle that was involved in a road rage incident where a firearm was displayed. When the vehicle and subject of this complaint were located, officers displayed a firearm until officers could verify if the subject was armed as reported. The incident was reviewed by a supervisor and all actions were within policy and training based on the incident they were engaged in.
- 2021-120975 Pursuit / Assist Other Agency - Officers conducted a High-Risk Traffic Stop on a vehicle that was involved in a pursuit and ended after tire deflation devices were deployed. Firearms were displayed until the subject was taken into custody. The incident was reviewed by a supervisor and all actions were within policy and training based on the incident they were engaged in.

Department Report For April 2021 Activity

- **Operations**

- We have begun the switch to our new records management software and are moving data and information over. The reporting will be evolving during this period. We are utilizing ESO Solutions as the company manages our old and the new is more of an upgrade. However, the upgrade is a considerable difference with cloud-based instead of local database and decades difference of operation.
- We are continuing to utilize our duty officer to assist on most medical calls. We will be attempting to increase our paid-on-call EMT staff to attempt more three-person crews and reduce the reliance on the duty officer position to avoid burnout for our duty officers.
- We have received concerns from a resident with individuals burning and causing breathing issues for them. The individual would like the Village to consider an ordinance revision that prohibits open burning including camp fires (burn pits) in the Village except the 2nd and 4th weekends to be similar to brush and prairie grass. We are planning to forward to the Public Safety Committee for possible future meeting discussion.
- The response to a car crash into a home on April 13th was unique. We were initially alerted to the crash, but notified the scene was not secure as law enforcement had individuals attempting to flee the scene. We were provided updates that the car had struck the home and had significant structural damage with a possible fire and gas. Once the location was secured, we could respond to the scene. We found the homeowner had extinguished the fire before he exited the home. The car was in the basement with a foundation wall, the first floor, and the corner of the house having severe damage. The car had struck the fireplace inside the home, causing a gas leak. We immediately controlled the gas and assessed the building for extrication operations. We found the building to be stable for operations to begin and confirm

there was one deceased individual and one critically injured individual in the car still. We had three other immediate patients being triaged and transported to local hospitals of individuals from the car's back seat. We requested the City of Madison Heavy Urban Rescue Team for assistance in further assessment and possible stabilization of the home during the extrication of the critically injured individual. The extrication process was completed after fifty minutes. The extrication was difficult due to the location, and the car was unstable while resting on a mattress. Once the individual was removed, they were transported to the UW Trauma Center. During the incident, we had law enforcement officers and the occupants needing medical evaluation. In total, we had six ambulances with four individuals transported and four individuals evaluated on the scene without transport. We remained on scene while law enforcement and medical examiner processed the scene. Once cleared, crews removed the deceased from the vehicle. EMS and Fire agencies involved in the incident included McFarland Fire & Rescue, DeerGrove EMS, FitchRona EMS, Madison Fire Department, and Monona Fire Department. The incident required 38 EMTs and firefighters with sixteen pieces of apparatus, and all individuals were performing tasks at some point in time. The total operational time for our department was approximately 10 hours. As expected, the interagency cooperation between EMS and fire departments and EMS/Fire and law enforcement was seamless and a testament to the professionals in our area.

- On April 15th, we conducted critical incident stress debriefing for the April 13th incident. The incident was performed by a peer support team based out of Fitchburg. We had good attendance, and individuals benefited from the incident. We do have some residual stress for individuals, and support is continuing for those individuals.
- On a personal note, the incident highlighted one of the most significant stresses for first responders and can be even more for volunteer and paid-on-call individuals. First responders leave their homes in the middle of the night, and families do not know where they are going, what they are doing, or the hazards they are facing. The employers of the first responders have employees that are late with no idea when they will be arriving for their shift. That creates stress for individuals in addition to the stress of challenging incidents. We are fortunate as a society to have individuals willing to donate their time.

- April was also busy with other incidents, including two mutual aid grass fires with the Cottage Grove Fire Department, mutual aid structure fire with Fitchburg Fire Department, and a mutual aid search for a kayaker with Monona Fire Department.
- **COVID-19 Precautions**
 - The following initiatives were implemented and continue:
 - We have closed the Fire & Rescue area to non-essential people, including village and department staff.
 - Daily cleaning within the Fire & Rescue area for high contact and high traffic areas.
 - Shift changes are performed with social distancing and are required to be completed in ten minutes or less.
 - The Engines, Squad, and Ladder are only staffed with four firefighters.
 - Increased the cleaning and disinfecting of the vehicles in the fleet and then leaving the vehicles open to allow air circulation.
 - Department training and meetings are returning to in-person with social distancing.
 - Social distancing is used among staff during the day.
 - We have transitioned back to surgical masks, and safety glasses are utilized on every medical call. Surgical masks or face coverings are used during training, performing fire inspections, and interacting with the public.
 - N95 masks, isolation gowns, and safety glasses are used on any patient contact tested positive, suspected of COVID-19, or a higher risk procedure is performed (nebulizer, high flow oxygen, CPAP, CPR, etc.).
- **Personnel**
 - Current Staffing Levels
 - Full-time Fire & Rescue Chief – 1
 - Full-time Administrative Captain – 1
 - Full-time Fire Inspector/Public Education Specialist – 1
 - Full-time EMTs – 4 (2 vacancies)
 - Full-time Confidential Administrative Assistant – 1 (50%)
 - Paid-On-Call – 51 (10 EMTs (1 on medical leave), 22 Firefighters (1 Active Retired), 8 EMR/Firefighter, & 11 EMT/Firefighters)
 - Total Staffing Level – 61

- We have posted the 24 Hour EMT position vacancy and have received limited inquiries. The position closed on April 26th, and we will conduct an assessment center on May 10th to screen the applicant pool to be interviewed by the Police and Fire Commission on May 22nd.
- We had to delay the orientation of two members due to the April 13th incident, as the orientation was scheduled for April 14th. The orientation is for a Paid-On-Call EMT-B and two firefighters that will need training. The current department workload is making recruitment and screening challenging to accomplish.
- Firefighter Madison Whiting is resigned due to receiving orders as an active Marine.

- **Budget**

- 2021 Budget capital purchasing has not been started beyond the ladder truck.
- We have received our reimbursement funding from FEMA on our Assistance to Firefighter Grant.
- We are working with the Terminal Coop on attempting to purchase PFAS free foam. One terminal has pledged a donation of \$10,000 and will provide close to 50% of our needed foam.

Many fire prevention activities are suspended due to COVID-19, and reduced career EMT staffing has required the inspector to be detailed to the ambulance. The

inspector is behind on inspections, but with one staff member's return from leave, he should perform inspections one to two days a week to begin catching up.

Apparatus & Equipment

- 2015 Tanker (Tender 6) the rear tank dump valve is still experiencing issues, and the manufacturer is developing a solution with adding additional position switches and solenoids. We are awaiting our vendor to receive parts to adjust. It is operating but not in proper sequence.
- 2019 Pumper (Engine 2) is experiencing an issue with the Compressed Air Foam (CAF) system's air compressor. The thermostat was replaced, and the operation improved, but we have experienced a recurrence. The system is scheduled for further evaluation in May.
- 2005 Pumper (Engine 1), is waiting for new pump panel gauges to be installed. The current gauges cracked due to the overhead heating in the apparatus bay.
- 2000 Heavy Rescue (Squad 5) developed a substantial leak on transmission with either the transmission itself or the generator. The Village Mechanic will be reviewing it for in-house repair or vendor repair.
- The new Utility Truck construction has begun and is currently in the painting process. It is planned to be shipped from Florida to Wisconsin in June. It will require work at the Dealership for about one-month moving equipment from the Heavy Rescue.
- The replacement aerial has been placed on order with the idle reduction option as recommended by the sustainability committee. We are waiting to have an updated build and delivery schedule.
