3. APPROVAL OF MINUTES.

a. *Motion to approve the minutes of the November 4, 2025, Parks & Recreation Committee meeting.*

Motion by Trustee Fessler, seconded by Trustee Leamy, to approve the minutes of the November 4, 2025, Parks & Recreation Committee meeting. Motion carries 5-0-1, with Lancaster abstaining.

4. BUSINESS.

a. *Discussion and action to make a recommendation to the Village Board regarding an inventory of gender neutral public restrooms available through Village facilities.*

Schuenke provided an overview regarding the inventory of gender-neutral public restrooms within public facilities and parks.

Motion by Trustee Fessler, seconded by Lancaster, to recommend approval to the Village Board regarding an inventory of gender-neutral public restrooms available through Village facilities. Motion carries 7 - 0 - 0.

b. *Update regarding Community Park Phase 2 improvements.*

Igl explained that work has begun for Community Park Phase 2 although the contractor estimates they are approximately two weeks behind schedule. The contractor plans to make up time in the Spring.

- Trustee Leamy asked what it meant in the background summary regarding unfavorable soils. Igl explained that the soil was not firm enough, which meant the contractor had to dig out and backfill.
- Trustee Fessler asked about the projected timeline for construction. Igl stated that electrical will be completed soon, then the building will be the focus with walls and the interior structure.

c. Discussion regarding a playground replacement plan

Igl provided an overview of the playground replacement plan which will be updated annually.

- Trustee Leamy asked if the playground at William McFarland was the small playground near the curling club. Igl responded yes and stated action will need to be taken soon on this playground, given its current condition.
- Trustee Fessler asked where this plan would live. Igl explained that the plan could be added to the Capital Improvement Plan to be reviewed annually.

5. SCHEDULE NEXT MEETING DATE.

a. Tuesday, February 3, 2026, at 6:30 PM

6. ADJOURNMENT.

Motion by Trustee Fessler, seconded by Trustee Leamy, to adjourn. By unanimous consent, the meeting was adjourned at 6:54 p.m.

Pursuant to law, written notice of this meeting was given to the public and posted on the public bulletin board in accordance with Open Meetings Law.

Respectfully submitted,

SUMMARY SHEET

MEETING DATE: Tuesday, March 3, 2026

SECTION: Business

DEPARTMENT: Public Works

CONTACT: Lee Igl, Public Works Director, Sayer Larson, Parks Superintendent

AGENDA ITEM: Discussion and action to make a recommendation to the Village Board regarding a proposal from Parkitecture for Cedar Ridge Playground design services

PREVIOUS ACTION:

NA

ISSUE SUMMARY:

The playground at Cedar Ridge Park was originally installed in 1999 and has now reached the end of its useful life. Due to age, wear, and evolving safety and accessibility standards, replacement of the existing equipment is recommended.

Staff is seeking approval to engage Parkitecture to develop a comprehensive playground redevelopment plan. The proposed scope of services includes:

- Site assessment and conceptual design development
- Community engagement and public information meetings
- Final design and equipment recommendations
- Assistance with bidding and contractor coordination

This project provides an opportunity to modernize the playground, improve accessibility and safety, and incorporate innovative play features that enhance the Village's overall park system. Approval of this proposal will allow the project to move forward with professional planning and community input.

The project design should be completed by mid-July with construction most likely in the fall.

FINANCIAL/BUDGET IMPACT:

The 2026 budget was approved with funds up to \$200,000 for the replacement of the playground at Cedar Ridge Park. The enclosed proposal provided by Parkitecture has a fixed fee of \$15,908 for design services.

Cedar Ridge Playground Design Services

TASK ORDER - SCOPE OF SERVICES

General Project Scope:

Project scope includes conceptual design and planning assistance for the Cedar Ridge playground replacement. Project scope items shall include new sidewalk connections, playground, seating areas, and restoration/landscaping. The Village desires a unique play experience for all ages that will be different from the majority of existing playgrounds in the Village. The Village will purchase the new playground equipment and installation directly from a selected vendor. Digital basemap files (CAD) will be provided by Village or other consultants.

Task Items below are further described in the Master Planning Services Agreement set forth between Parkitecture + Planning and the Village of McFarland entered by the parties in 2020. All other terms of Master Planning Services Agreement between Parkitecture + Planning and the Village of McFarland not inconsistent with this Task Order are incorporated herein by reference.

Services to be completed:

- Meeting #1: Design Coordination

Parkitecture will attend one meeting/conference call with Village staff to review timeline, design parameters and playground size and theme, as well as confirm the remaining site elements to be included.

- Conceptual Site Plan

Parkitecture will prepare a conceptual site plan illustrating the proposed playground limits and connecting sidewalks etc. Graphic exhibit boards with character images of potential playground equipment styles will be assembled to accompany the site plan.

- Park Committee Meeting (#2)

Parkitecture will attend a Park Committee meeting to present the plans and take feedback.

- Playground Vendor Collaboration

Parkitecture will work with Village staff to obtain quotes from a minimum of three playground vendors. This document will accompany the conceptual site plan for use in solicitation of proposals.

- Public Information Meeting (#3)

Parkitecture will facilitate a Public Input Meeting to gather opinions on the design direction for the proposed playground equipment.

- Construction Document Preparation

Parkitecture will prepare an abbreviated construction plan set for the selected vendor's use. Design elements may include:

- Demolition and Erosion Control plans
- Site layout plans
- Site grading and storm sewer plans
- Playground equipment plan
- Landscape/restoration plan
- Construction details

- Meeting #4/5: Design Review

Parkitecture will attend two meetings with Village staff to review design development plans.

Cedar Ridge Playground Design Services

- Park Committee Meeting (#6)

Parkitecture will prepare exhibits of the proposed site elements. We will attend a Park Committee meeting to present the plans and take feedback.

- Prepare Opinion of Probable Construction Costs

Parkitecture will assemble a detailed estimate of probable construction costs based upon the final design documents.

- Plan Set Revisions

Parkitecture will revise the final construction plans based upon Village comments

Deliverables:

Final project deliverables will include the following:

- PDF preliminary plan set for the review meetings
- PDF final estimate of probable construction costs
- PDF containing final construction plans

Schedule:

Parkitecture is prepared to begin work on the project on or about March 1, 2026 and will complete the design portion of the project on or around July 15, 2026. This will position the Village for early fall construction. Construction administration services may be added as a separate Task Order should the Village request.

Fee:

In consideration of the scope outlined above, Parkitecture requests a fixed fee of \$15,908 including expenses.

Signature below shall serve as notification to proceed.

AGENDA ITEM: Discussion and action to make a recommendation to the Village Board regarding a proposal from Parkitecture for Arnold Larson Park conceptual site plan

PREVIOUS ACTION:

The Parks, Recreation and Natural Resources Committee recommended approval to the Village Board regarding a proposal from Vandewall and Associates for the creation of an enhancement plan for improvements within Larson Park during their January 23, 2020, meeting.

The Parks, Recreation, and Natural Resources Committee reviewed and discussed the presented hardscape improvement plan during their April, 16, 2020, meeting.

ISSUE SUMMARY:

In 2020, the Village completed a conceptual park plan for Arnold Larson Park. The concept plan was presented to and discussed by the Parks Commission; however, the project did not advance to the design or development phase at that time.

Staff is recommending engaging with Parkitecture on the project to move the park planning process forward, by revisiting and refining the previously developed concept. The scope of services outlined in the attached proposal includes:

- Meeting with staff and the Parks Committee to review prior concepts and gather updated direction;
- Conducting a public information meeting to solicit community input;
- Preparing updated conceptual design alternatives for review;
- Developing preliminary cost estimates associated with the proposed improvements; and
- Presenting the refined final concept plan to the Parks Commission for consideration and recommendation.

This process will allow the Village to incorporate current priorities, public input, and updated cost information before proceeding to detailed design and potential implementation.

The proposal from Parkitecture is enclosed within the packet.

FINANCIAL/BUDGET IMPACT:

The 2026 budget approved the development of a plan for future improvements at Arnold Larson Park. The enclosed proposal provided by Parkitecture is requesting a fixed fee of \$16,240 for the Larson Park conceptual site plan.

Larson Park Conceptual Site Plan

TASK ORDER - SCOPE OF SERVICES

General Project Scope:

Project scope includes preparation of a Conceptual Plan for proposed improvements at Larson Park. Prior planning efforts were conducted by Vandewalle and the Village desires an updated plan and budget estimates be completed to verify public desire for these improvements. Potential park elements include a new stage/shelter, restrooms, pathway and sidewalk improvements, hardscape food truck area, and enhanced landscaping.

Task Items below are further described in the Master Planning Services Agreement set forth between Parkitecture + Planning and the Village of McFarland entered by the parties in 2020. All other terms of Master Planning Services Agreement between Parkitecture + Planning and the Village of McFarland not inconsistent with this Task Order are incorporated herein by reference.

Services to be completed:

- Facilitate kick-off Meeting with Village staff.
- Review past documents and develop timeline for additional review meetings and outreach.
- Conduct a neighborhood listening session at the project site (or nearby location). This will include character image preference exercises.
- Assemble a conceptual plan for the park to include layout, creation of unique identity, amenity suggestions, conceptual grading and landscape patterns.
- Compile opinion of probable construction costs.
- Present initial concept to Village staff.
- Facilitate 1 public presentation at a Park and Recreation Committee Meeting to unveil the concept and collect feedback on final design direction.
- Refine initial concept into a preferred concept option.
- Produce 2-D color renderings and assemble character images for identified amenities and park features.
- Produce 3-D model and still shot renderings of proposed park improvements.
- Update opinion of probable construction cost to reflect the preferred concept plan elements.
- Attend Park and Recreation Committee Meeting to review the preferred conceptual plan and associated costs.

Outcomes and Deliverables

- Meeting minutes from each review meeting.
- Written summary of all public engagement activity.
- 11x17 Conceptual Plans for each design iteration.
- PDF of final Summary document.

Assumptions

Village to provide any prior planning documents, basemap files, etc as available. If no CAD basemap files are available, LIDAR and ortho photos will be used as a basemap for conceptual planning.

Schedule:

Parkitecture is prepared to begin work on the project on or about March 1, 2026 and anticipate completion of the planning process by fall 2026.

Master Plan was approved by the Parks, Recreation, and Natural Resources Committee on October 28, 2021.

Master Plan was approved by the Village Board on November 8, 2021.

ISSUE SUMMARY:

In 2021, the Village completed a master park plan for William McFarland Park. The master plan was presented to and discussed by the Parks Commission and approved by the Village Board. The plan was the first step in planning for the use of William McFarland Park after the construction and opening of the Community Park and soccer fields and soccer moving there.

Staff is recommending engaging with Parkitecture on the project to move the park planning process forward, by revisiting and refining the previously developed concept. The scope of services outlined in the attached proposal includes:

- Meeting with staff and the Parks Committee to review prior concepts and gather updated direction;
- Conduct meetings with youth baseball, MRAP and the Curling Club for potential future needs;
- Conducting a public information meeting to solicit community input;
- Preparing updated conceptual design alternatives for review;
- Developing preliminary cost estimates associated with the proposed improvements; and
- Presenting the refined final concept plan to the Parks Commission for consideration and

recommendation.

This process will allow the Village to incorporate current priorities, public input, and updated cost information before proceeding to detailed design and potential implementation. The proposal from Parkitecture is enclosed within the packet.

William McFarland Park Master Plan Update

TASK ORDER - SCOPE OF SERVICES

General Project Scope:

Project scope includes preparation of an update of the 2021 William McFarland Master Plan. This process will reassess the needs of the community, select stakeholders, and McFarland recreation programming to affirm the potential improvements within William McFarland Park. The newly constructed Ice Arena expansion will be reflected in the updated plans.

Task Items below are further described in the Master Planning Services Agreement set forth between Parkitecture + Planning and the Village of McFarland entered by the parties in 2020. All other terms of Master Planning Services Agreement between Parkitecture + Planning and the Village of McFarland not inconsistent with this Task Order are incorporated herein by reference.

Services to be completed:

- Facilitate kick-off Meeting with Village staff.
- Review past documents and develop timeline for additional review meetings and outreach.
- Conduct a meeting with the youth baseball organizations and MRAP to gather information on current membership numbers, facility needs, and potential funding collaboration.
- Conduct a meeting with the McFarland Curling Club to ascertain future expansion potential.
- Assemble an updated conceptual plan for the park to include layout of desired facilities.
- Compile opinion of probable construction costs.
- Present initial concept to Village staff.
- Facilitate 1 public presentation at a Park and Recreation Committee Meeting to unveil the concept and collect feedback on final design direction.
- Refine initial concept into an updated Master Plan 2-D graphic.
- Produce 2-D color renderings and assemble character images for identified amenities and park features.
- Update opinion of probable construction cost to reflect the preferred concept plan elements.
- Attend Park and Recreation Committee Meeting to review the updated Master Plan graphics package and associated costs.
